Subject: RE: Medevac from [REDACTED]

Good Afternoon Ma'am,

I was able to priority mail a [REDACTED] photo ID to [REDACTED] for [REDACTED] to use in transit to the U.S. (See attached). Would this be sufficient [REDACTED] to medevac a [REDACTED] in transit through Germany, with a visa waiting at [REDACTED] port of entry? It would greatly simplify my timeline if I did not have to secure an advance parole visa, but I'm going to get started on the request if that's required. Thank you for your help with this!

EXHIBIT M

The attending physician at [REDACTED] would need to obtain an accepting physician, and I know you have reached out to a physician at the [REDACTED] Children's hospital. The Patient Admin office at [REDACTED] would then request a medevac [REDACTED]. Depending upon the medevac route, she may stop over at [REDACTED].

Thank you.
